

# Omnis Absolute Return Bond Fund

## A Income Class - 31 December 2025

### Investment objective

The Fund aims to achieve an annualised return consisting of both income and capital above the rate of cash, measured as GBP SONIA, after all fees and expenses, over a five-year rolling period. There is no guarantee that this will be achieved over this, or any, timeframe and capital is at risk.

### Investment policy

The Fund intends to invest in a globally diversified portfolio with at least 80% invested in a broad range of fixed income securities such as global government bonds, corporate bonds and currency markets. The fund will invest in bonds issued either in sterling, or in another currency which will be hedged back into sterling. The Fund may invest up to 60% in sub-investment grade bonds (considered to be Standard & Poor's credit rating of below BBB or equivalent). The Fund may also invest in other transferable securities, units in collective investment schemes (including schemes managed and operated by the ACD or its associates), money market instruments, warrants, cash, near cash and deposits as detailed in the Prospectus. Derivatives may be used both for investment purposes and for efficient portfolio management.
