

Omnis Diversified Returns Fund

A Income Class - 29 August 2025

Investment objective

The Fund aims to achieve an annualised return consisting of both income and capital of 2% above the rate of cash, measured as GBP SONIA, after all fees and expenses, over a five-year rolling period. There is no guarantee that this will be achieved over this, or any, timeframe and capital is at risk.

Investment policy

The Fund intends to invest at least 70% in a diversified and broad range of assets such as equities, fixed income and cash either directly or indirectly (through the use of derivatives). Indirect exposure to alternative asset classes such as commodities and property may be sought through investment in transferable securities, eligible index derivatives and collective investment schemes (including schemes managed and operated by the ACD or its associates).

The Fund may also invest in other transferable securities, exchange traded funds, money market instruments, warrants, cash, near cash and deposits as detailed in the Prospectus.

Derivatives may be used both for investment purposes and for efficient portfolio management.
