

Omnis Global Bond Fund

30 January 2026

Investment objective

The Fund aims to achieve a return consisting of a combination of income and capital growth which exceeds that of the ICE BofA Global Broad Market TR Index, after all fees and expenses, over a five-year rolling period.

Investment policy

The Fund intends to invest (directly or indirectly) at least 70% in non- Sterling denominated government and non-government fixed and variable interest rate securities.

The Fund may also invest in other transferable securities (for example, Sterling denominated fixed and variable interest rate securities), units in collective investment schemes, (including exchange traded funds and other schemes managed by the ACD or its associates) money market instruments, deposits, warrants, cash, near cash and deposits as detailed in the Prospectus.

Use may also be made of stock lending, temporary borrowing and cash holdings.

Derivatives may be used for both investment purposes and for efficient portfolio management.
