

Omnis Multi-Asset Income Fund

A Accumulation Class - 31 July 2025

Investment objective

The Fund aims to achieve an income yield which, after all fees and expenses, is equal to or greater than 130% of that generated by a composite of the MSCI AC World Index (GBP) (60%) and the ICE BofA Global Broad Market Hedged Index (GBP) (40%) while offering the potential for some capital growth over a five-year rolling period.

Investment policy

The investment policy of the Fund is to gain exposure through a flexible asset allocation to a broad diversified range of asset classes including, equities, fixed interest securities, currencies, cash, near cash and deposits, warrants and approved money market instruments as detailed in the Prospectus.

At least 70% of the exposure to these asset classes is expected to be achieved through investment in a combination of transferable securities, collective investment schemes (including exchange traded funds and other schemes managed and operated by the ACD or its associates), deposits and derivatives.

The Fund may also seek to gain exposure to the property or commodities markets through investment in eligible asset classes. The Fund will not have any restrictions on the proportion of the Fund allocated to any asset classes and may invest in any geographic or economic sectors of the world.

Derivatives may be used for investment purposes as well as for efficient portfolio management.
