

# Omnis UK All Companies Fund

## A Income Class - 28 November 2025

### Investment objective

The Fund aims to achieve a return consisting of both income and capital growth which, after all fees and expenses, exceeds that of the FTSE All-Share TR Index over a five-year rolling period.

### Investment policy

The Fund intends to invest at least 80% in the equity securities of UK companies, defined as those which are domiciled, incorporated or have a significant exposure to the UK. The Fund may also invest in other transferable securities (for example international equities), units in collective investment schemes (including exchange traded funds and other schemes managed and operated by the ACD or its associates), money market instruments, warrants, cash, near cash and deposits as detailed in the Prospectus.

It is envisaged that the investment portfolio of the Fund will be concentrated, typically comprising between 35 and 60 stocks.

Derivatives may be used for the purposes of hedging and for efficient portfolio management.

### About Omnis Investments

Omnis Investments Limited is wholly owned by Openwork Holdings Limited, bringing established specialist providers together to create a tailored investment solution. It is focused on delivering maximum returns to investors for well-defined levels of risk via a series of funds.
