

Omnis UK Gilt Fund

A Income Class - 28 March 2024

Investment objective

The Fund aims to achieve a return consisting primarily of income and some capital growth which exceeds that of the ICE BofA UK Gilt TR Index, after all fees and expenses, over a five-year rolling period.

Investment policy

The Fund intends to invest at least 95% in sterling denominated (or hedged back to sterling) AA-rated, government-backed securities, with at least 75% invested in UK government securities (Gilts).

The Fund may also invest in other transferable securities, units in collective investment schemes (including exchange traded funds and schemes managed and operated by the ACD or its associates), money market instruments, warrants, cash, near cash and deposits as detailed in the Prospectus.

Derivatives may be used both for investment purposes and for efficient portfolio management.
