Omnis UK Smaller Companies Fund

30 October 2026

Investment objective

The Fund aims to achieve a return consisting of both income and capital growth which, after all fees and expenses, exceeds that of the Deutsche Numis Smaller Companies ex-Investment Trusts TR Index over a five-year rolling period.

Investment policy

The Fund intends to invest at least 70% in the equity securities of smaller UK companies. UK smaller companies are defined as those which are domiciled, incorporated or have significant exposure to the UK and which have a market capitalisation no greater than the largest company in the Deutsche Numis Smaller Companies ex-Investment Trusts TR Index at the point of purchase.

The Fund may also invest in other transferable securities (for example, equity securities of smaller, mid and large international companies), units in collective investment schemes (including exchange traded fund and other schemes managed and operated by the ACD or its associates), money market instruments, warrants, cash, near cash and deposits as detailed in the Prospectus.

Derivatives may be used for the purposes of hedging and for efficient portfolio management.
