

# Omnis US Smaller Companies Fund

31 March 2026

## Investment objective

The Fund aims to achieve a return consisting of both income and capital growth, which, after all fees and expenses, exceeds that of the Russell 2500 TR Index over a five-year rolling period.

## Investment policy

The sub-fund intends to invest at least 70% in the equity securities of smaller US companies defined as those which are domiciled, incorporated or have a significant exposure to the US and which have a market capitalisation no greater than the largest company in the Russell 2500 TR index at the time of the Fund's investment.

The Fund may also invest in other transferable securities (for example, equity securities of other international companies), units in collective investment schemes (including schemes managed and operated by the ACD or its associates), money market instruments, warrants, cash and near cash deposits as detailed in the Prospectus.

Derivatives may be used for the purposes of hedging and efficient portfolio management.

## About Omnis Investments
